

LUD: 15 Jan 2025

The following symposium requires a principal and support coordinators:

- Current CFP text for some of the following are available from <https://iv.csites.fct.unl.pt/de/symposia/>
- Symposia Proposal Guide - [HERE](#)

Information Visualisation

- IVE – Information Visualization Evaluation (Coordinator)
- HCI – Human-Computer Interaction for Information Visualization (Support Coordinator)

Knowledge Visualisation

- MuVis – Music Visualization (Support Coordinator)
- **Visual Literacy & communication** (New Coordinator)

AI & Visualisation

- **GAIM - Generative AI Evolution** (New Coordinator)
- **AI & SOCIETY** (New Coordinator)
- Edge AI and Decentralized Computing
- AI in Science and Research
- Human-AI Collaboration
- AI-Regulation and Governance
- AI in Education and Upskilling
- AI and Creativity
- Sustainability and Green AI

Visualisation

- Design visualization (Coordinator)
- ARVA – Augmented Reality Visualization and Art (Coordinator)
- D-ART – Symposium of Digital Art and Gallery (Support Coordinator)
- VIS – Visualization (Coordinator)
- VAD – Visualization, Art, & Design (Coordinator)
- CAivDE – Computer Animation, Information Visualisation, and Digital Effects (Support Coordinator)
- DE – Digital Entertainment (Coordinator)
- CGa – Computer Games and their applications (Coordinator)

Biomedical Visualization & Bioinformatics

Geometric Modelling and Imaging

- GMAI – Geometric Modelling and Imaging (Coordinator)

Built_IV - Visualisation in Information Visualisation

- Visualisation in Built and Rural Environments (Coordinator)
- SBH – ResearcherLink in Sustaining Built Heritage (Coordinator)

- VH_APAU – Visualisation for the Heritage of Asia-Pacific Architecture and Urbanism
(Support Coordinator)

Researchers Link – Project Design Coordinator
